

Below are Breakdown Assistance Terms and Conditions.

Breakdown Assistance is an emergency breakdown recovery service provided by Easytrip Services Ltd.

This page contains important information about your Breakdown Assistance membership, please read the Terms and Conditions carefully.

This membership is for 12 months duration from the date of purchase and only applies to one vehicle per account.”

For Business customers, the membership applies to all individual vehicles registered under the account at the time the membership was activated.

However, benefits do not become active until 48 hours from the date of registering your membership online or over the phone. The membership is limited to one member and the vehicle registered at the time of joining. Vehicles registered must be under 15 years old at the time of registration and must be a car or light goods vehicle of class 2,3,3 and 5. From time to time the member may be contacted by Easytrip with additional benefits, service updates, motoring information and news relevant to safer motoring.

Renewal of the membership will be offered to the member 30 days before the expiry date of the membership. Easytrip Services retains all rights to the cancellation of membership if in its opinion the member has in any way abused the club or the benefits provided to the member (See terms and conditions).

Easytrip Membership Breakdown Benefits:

Home start:

If your vehicle breaks down due to an electrical or mechanical fault, we will send a breakdown vehicle and appointed agent to assist you. We will provide assessment on the breakdown.

If your vehicle cannot be repaired in situ, we will tow it to the nearest or the most appropriate location at which repair may be carried out or to your own garage if closer.

Roadside Breakdown:

If your vehicle breaks down due to an electrical or mechanical fault or is involved in an accident away from your home, we will send a recovery operator to assist you.

We will provide assessment on the breakdown on arrival of the appointed agent. If your vehicle cannot be repaired on the spot, we will arrange to tow it to the nearest or the most appropriate location at which repair may be carried out, recovery yard or your home if closer.

Punctures:

If your vehicle suffers a puncture whilst driving, we will assist with the replacement tyre available with the vehicle.

Continuation of Journey:

Should we be unable to repair your vehicle in situ then we will offer the accompaniment of the passengers and member, if possible (depending on the passenger capacity of the assisting recovery vehicle) to the nearest location from where they may continue their journey by other means.
